DEDICATION

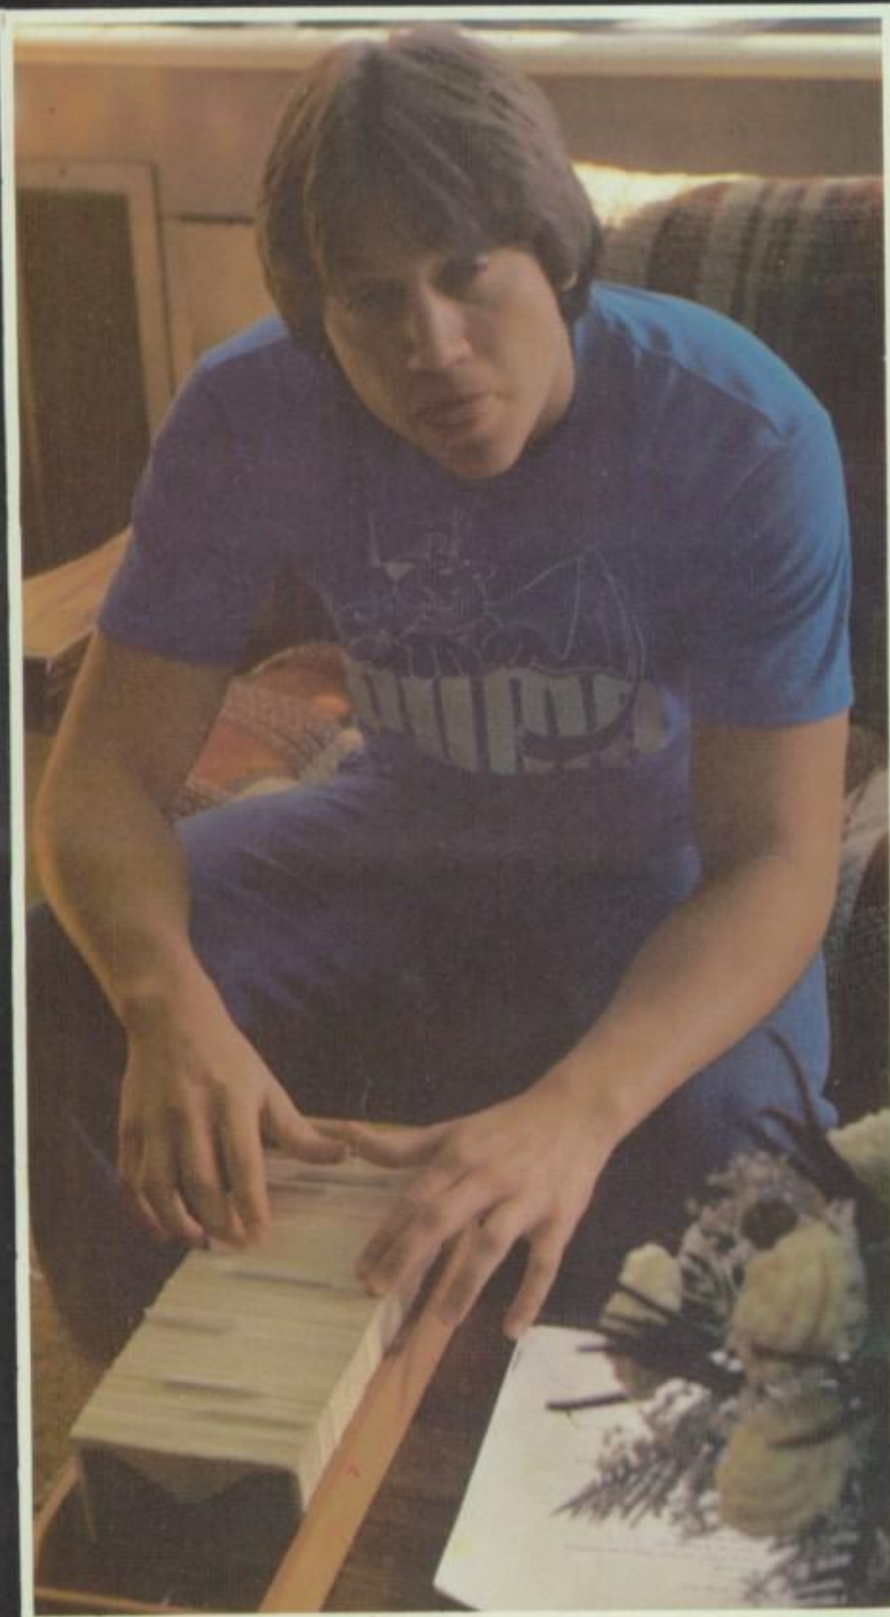

The 1981-82 Hobachee Staff proudly dedicates this year's annual to one who touches the lives of all those who make up CVHS. For your patience in the face of endless lines; your understanding in times of adversity; you're always being there whenever we needed you. In this dedication we wish to say that we love you, Ms. West.

Sheri,

I have only known
you a year and just being
around you I know that
you are a fudge - I

FRESHMEN

The first year at the high school proves exciting; building the first float, Algebra I, Home Ec., Ag., and Science 9 classes. Freshmen never forget this year when they not only had to get used to deadlines, but also they had to get used to meeting these deadlines! This year's Freshmen class is 97 members strong. They gave upperclassmen stiff competition at Pep Rallies when it came to the Spirit Stick! The Class of '85 looks ahead to when they will become Super Sophomores! Go, Freshmen, Go!!!

This last year holds special memories that the Class of '82 will never forget. The year passed quickly with Who's Who, Coronation, ordering invitations, the play, and the picnic. Many will go on from the hallowed halls of C.V.H.S. to colleges, jobs, marriage, and the military. Being the "Upperclassmen" for a year was a great feeling, but we still await June 1st!!

Girls' and Boys' Staters

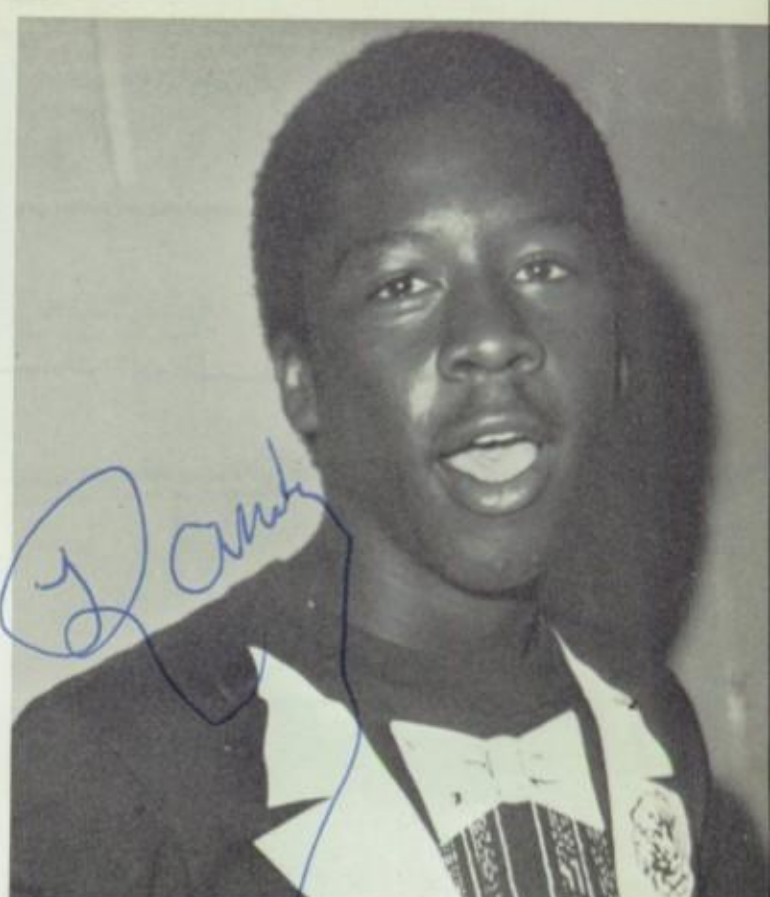

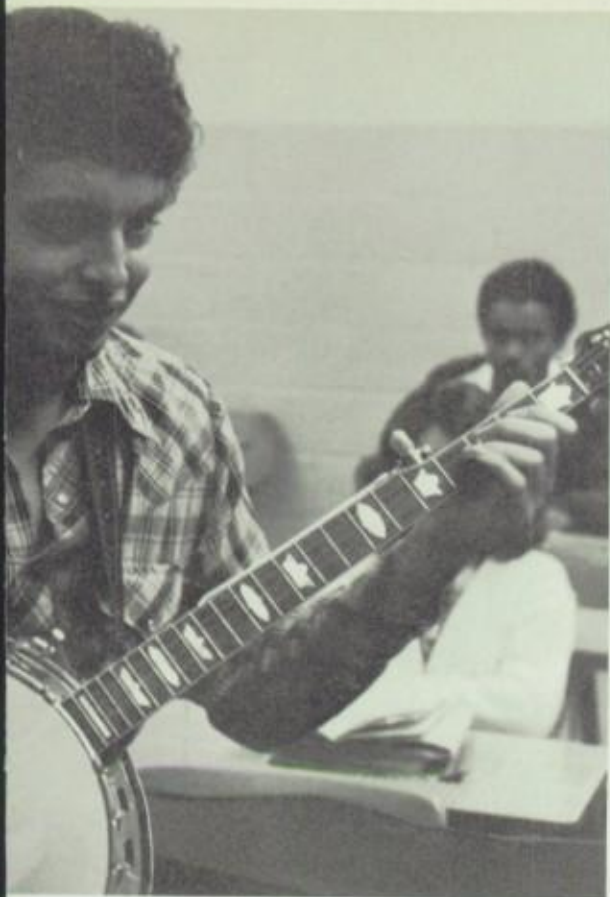

Greg Hester • Kathy James • Gregg Woodard

Every summer, students from all over the state of Alabama come together in order to learn through experience, the various functions of our State Government. Through enactment of the duties assigned them in their elective offices, the participants prepare themselves, as future citizens, for an active role in the leadership of their country.

A DAY IN THE LIFE OF A SENIOR.

slips through our fingers like
sand, yesterday's gone and
tomorrow may never come but
we have this moment today."*

In this my first year to work with the annual staff, I've learned a great deal about some of the unsung heroes of our school. The Hobachee staff has the difficult task of trying to record in a single volume the events of an entire year. In the face of insurmountable odds, they organize and cooperate to make an otherwise chaotic situation something in which they can live and work. These people undertake the task of creating your yearbook in spite of deadlines and criticism. Should this be my only opportunity to work with the members of the annual staff, I would just like to say that they do it all for you.

I'll never forget the first time I saw you. Troy had run out of gas, and you were standing beside his truck in blue satin shorts. We have had many good times since then and I hope we will have more. I say sweet and be good throughout life.

I also remember that crazy

Those were the crazy, good

times! Good luck finishing

out school. Time really

flies! it won't
be long until you graduate!
Be good & stay crazy & sweet!
